Phoenix House
Rising Above Addiction

Have you served in the Military?

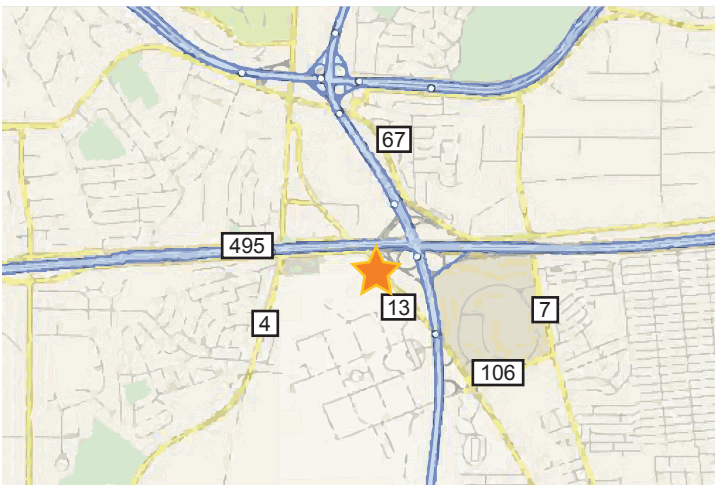

Do you miss the camaraderie you had with your unit?
Do you want to get involved in a new military community?
Has adjusting to civilian life been different than you expected?
Are you drinking more or using drugs?

Phoenix House can help.

There is strength in numbers. At the Phoenix House Military Services Program, veterans and active duty personnel can come together, share their experiences, and gain support in completing their mission to recovery.

Services include:

- Residential and outpatient substance abuse and mental health services
- Day and evening hours available
- Trauma-informed individual, group, and family counseling
- Access to Veterans business center
- Referrals to veteran service organizations
- Comfortable veterans lounge with coffee and refreshments
- Monthly seminars on veteran benefits
