Job Description

Windows Server Systems Engineer who can implement, support, and maintain a 24x7 infrastructure environment. The ideal candidate will have a strong track record managing, deploying, and troubleshooting systems configurations. You will be a dedicated and motivated individual who will take engineering ownership of the capacity planning and configuration assessments for our server hardware, storage area networking, systems, network and supporting infrastructure.

Responsibilities:

- Build and deploy windows server 2012 and higher operating systems
- Administration of Exchange 2010, Active Directory, Group Policy, Kerberos, and LDAP
- Strong PowerShell skills
- Experience with virtualized and cloud environments (Hyper-V and VMware)
- Strong understanding of and experience with systems security.
- Troubleshoot and report on systems performance issues.
- Maintain relationships with 3rd party vendors.
- Provide recommendations for purchase with business objectives in mind.
- Deploy and maintain anti-virus/spam software and backup solutions.
- Maintain disaster recovery plans and provisions.
- General helpdesk Skills: Act as second level of response to escalated problems.
- Provide server and PC hardware and software support.
- Experience with LAN/WAN: TCP/IP and other standard network protocols, switches, routers and firewalls.
- Cisco VoIP

Requirements

- Bachelor's degree in computer engineering.
- MCSE, CCNE, and/or CCNP a plus.
- At least three years of experience supporting a reliable, scalable Windows network.
- Comprehensive networking knowledge, advance knowledge a plus.
- Knowledge in SAN technologies.
- Can work as part of a small, tight-knit team.
- Excellent technical skills with ability to learn new systems quickly.
- Strong communication skills, organizational skills, and attention to detail.
- Ability to develop effective internal/external working relationships.
- Can maintain positive and helpful attitude when dealing with users.

Minimum Qual Requirements

1. A baccalaureate degree from an accredited college and two years of experience in community work or community centered activities in an area related to the duties described above; or
2. High school graduation or equivalent and six years of experience in community work or community centered activities in an area related to the duties as described above; or
3. Education and/or experience which is equivalent to "1" or "2" above. However, all candidates must have at least one year of experience as described in "1" above.

To Apply

To apply click the "Apply Now" button.

We appreciate the interest and thank all applicants who apply, but only those candidates under consideration will be contacted.

Residency Requirement

New York City residency is generally required within 90 days of appointment. However, City Employees in certain titles who have worked for the City for 2 continuous years may also be eligible to reside in Nassau, Suffolk, Putnam, Westchester, Rockland, or Orange County. To determine if the residency requirement applies to you, please discuss with the agency representative at the time of interview.
