District Attorney

What is a Hate Crime?

A hate crime is a specific offense committed because of a belief or perception about race, color, national origin, ancestry, gender, religion, religious practice, age, disability, or sexual orientation of person, whether that belief is true or not.

The District Attorney's Office established a Hate Crimes Bureau to focus on bias-motivated crimes. The bureau is committed to aiding victims of such crimes and encouraging victims to come forward and report any incidents.
