**Re: Annual Report on Criminal Prosecutions Pursuant to
N.Y.C. Local Law 161 (2021)**

Dear Mayor Adams, Speaker Adams, and Ms. Logan:

A commitment to the principles of justice and fairness guides every aspect of our work in the Brooklyn District Attorney's office, and we recognize that transparency is fundamental to fostering public trust in the criminal legal system. The Annual Report on Criminal Prosecutions required by N.Y.C. Local Law 161 (2021) affords an important tool for policymakers and the public to examine the work of our office, however, limitations on our current data analytics capacity preclude us from providing all of the data required by this law in our first filing—deficiencies that we hope and expect to remedy with additional funding and investments in personnel and technology.

Our office has proactively engaged in a rigorous evaluation of the data we have to identify any disparities that exist within our prosecutions, collaborating with the CUNY Institute for State & Local Governance to examine key discretion points (report attached). The study, which examined data collected between 2016 and mid-2019, found that while some disparities existed at specific decision points and for certain crimes, changes we have enacted may have lessened disparities in certain outcomes over time.

Based on the study's findings, we continue to implement data-driven, equity-focused reforms, and take every opportunity to improve the fairness of our process and exercises of discretion. These initiatives are aligned with my Justice 2020 action plan, underscoring the Office's commitment to equal justice for all, and the work of our ongoing Justice 2.0 initiative.

Despite our commitment to transparency, our efforts to comply with the reporting requirements of Local Law 161 face significant challenges. The diverse sources of our data, including the New York City Police Department, Mayor's Office of Criminal Justice, and the courts are often in conflict, and therefore impossible to perfectly reconcile. Additionally, our request for funding to enhance our data capabilities remains pending, limiting our ability to compile and analyze the comprehensive data required by the law. In my upcoming budget request, I will encourage the Council to fund, as a new need, a Data Analytics unit to do this important work. I remain committed to providing comprehensive data about our work to our colleagues in government and the public, and I look forward to compiling a more detailed report next year.

Thank you for your commitment to the safety of the people we serve, and to improving the fairness of our justice system.

Sincerely,

A handwritten signature in black ink that reads "Eric Gonzalez". The signature is written in a cursive, flowing style.
