Did you know that...

24% of violent crime victims with disabilities believe that they were targeted because of their disabilities. (Bureau of Justice Statistics, 2015)

Women with developmental disabilities are 10.7 times more likely to be sexually assaulted than other women. (Wilson and Brewer, 1992)

In 2011 - 2015 40% of violence against persons with disabilities was committed by someone they knew well or by a casual acquaintance. (Bureau of Justice Statistics, 2015)

Remember...

...All people with disabilities have significant abilities as well as disabilities and they should be treated with respect and dignity.
