Job Description

The Kings County District Attorney's Office (KCDA) is one of the largest prosecutors' offices in the country and is committed to developing and implementing innovative prosecutorial strategies that will fulfill our vision of keeping Brooklyn safe while at the same time ensuring fairness and justice for all. The Office investigates and prosecutes crime, assists victims, and implements crime prevention strategies to improve public safety and the quality of life of Brooklyn's residents. KCDA has an exciting opportunity to work as a Body-Worn Camera Analyst.

In light of the sweeping discovery reforms in New York State, our Assistant District Attorneys need more support in preparing their criminal cases. All of our cases involve fairly voluminous discovery, such as police reports, body camera footage, 911 calls, forensic files, security surveillance videos, and more. It is critical to our mission that our prosecutors obtain all the necessary discovery and securely share the required information with the defense. New hires will assist with these important duties, and in doing so, will gain exposure to virtually every aspect of a criminal case.

Under direct supervision, with some latitude for independent initiative and judgment the Body Worn Camera Analyst will:

- Receive body-cam footage from NYPD via in-house application.
- Gather and identify all BWC footage on all arrest cases.
- Serve as a liaison to external agencies, including the NYPD Borough and Precinct Commands.
- Contact specific NYPD officers and collaborate with NYPD Training Sergeants.
- Coordinate with NYPD when Body Worn Camera (BWC) footage is missing from a DA case.
- Retrieve and review NYPD BWC videos. Categorize and maintain this video evidence for prosecution.
- All other duties as assigned.

Preferred skills

- Candidates must be adaptable and comfortable working with large amounts of data.
- Experience working in law enforcement.
- Applicants must possess excellent interpersonal, verbal, and written communication skills
- Ability to communicate clearly and to explain analytical processes to laypersons through testimony as a witness before the court.
- Strong application skills in Microsoft Word, Outlook, Excel, PowerPoint, and Adobe; knowledge of Video Playback, Audio/Video File Conversion a plus.
- Organizational, time-management and multi-tasking skills, including the ability to take initiative, prioritize duties, and work both independently and within a team environment.
- Strong attention to detail is essential.

Additional Information

Candidates must meet the additional requirements:
- Bachelor's degree from an accredited school is required
