Being a victim of human trafficking can be a traumatic experience. As Brooklyn District Attorney, I am committed to ensuring that the criminal justice system provides you and your family complete assistance and effective support.

The Kings County District Attorney's Office and Safe Horizon Co-Chair the Brooklyn Human Trafficking Task Force, a multi-disciplinary model supporting law enforcement agencies and victim service organizations in building capacity in providing a range of cross-sector strategies for identifying victims of all forms of human trafficking, providing them needed services, and holding traffickers accountable.

In partnership with the Mayor's Office to End Domestic and Gender-Based Violence, we are pleased to provide this comprehensive guide to the resources and services available to you.

Please reach out to my office if there is anything we can help you with. Your safety and well-being is our highest priority.

Thank you,
Eric Gonzalez
District Attorney

NYC Mayor's Office to
End Domestic and
Gender-Based Violence

**SALONI SETHI
COMMISSIONER**

Human trafficking continues to affect far too many throughout New York City. Trafficking is a complex form of exploitation: traffickers use power and control to force, defraud, or coerce someone into engaging in labor or services, including commercial sex or sexual activity. Traffickers use tactics like violence, emotional manipulation, psychological threats, and financial control, often exploiting social and economic inequity for their benefit. Trafficking impacts the most marginalized and vulnerable individuals in our communities, many of whom are already in tenuous and unsafe situations. Our responses must include collaboration across social service, law enforcement and healthcare systems.

For those who have experienced sex or labor trafficking, we know that with the right set of supports, healing is possible. The Mayor's Office to End Domestic and Gender-Based Violence and our community of advocates is here to support you. We hope that the services in this resource guide – from case management and counseling to healthcare and shelter – provide you the tools you need on your path to safety and stability.

Sincerely,
Saloni Sethi
Commissioner, NYC Mayor's Office to End
Domestic and Gender-Based Violence

Human Trafficking Unit

Brooklyn Human Trafficking Task Force is comprised of over 35 Federal, State and Local Law Enforcement and Service Providers

- Conducts investigations and prosecutes traffickers;
- Provides services, support, advocacy, protection, and community referrals to survivors of human trafficking;
- Provides education and outreach in the community on human trafficking; and
- Utilizes a collaborative model and a victim-centered approach.

The Federal Trafficking Victims Protection Act (TVPA) of 2000, defines "sex trafficking as the recruitment, transportation, transfer, harboring, or receipt of persons for the purposes of commercial sexual exploitation. Sex trafficking is accomplished by means of force, fraud, or coercion."

Under the New York State Trafficking in Victims Protection and Justice Act a person commits an act of labor and/or sex trafficking if s/he intentionally advances or profits from prostitution by:

- Providing a drug to impair victim's judgment; or
 - Making false statements or omissions; or
 - Withholding or destroying ID; or
 - Requiring prostitution to pay off real or purported debt
 - Using force or plan/pattern to instill fear that trafficker will:
1. Cause physical injury or death; or
 2. Cause property damage; or
 3. Commit felony or unlawful imprisonment; or
 4. Accuse some person of a crime or cause deportation; or
 5. Expose/publicize information causing hatred, contempt or ridicule; or
 6. Testify, provide or withhold info regarding a legal claim/defense; or
 7. Use or abuse power (public servant) to adversely affect a person; or
 8. Commit any act calculated to harm the health/safety/immigration status to the patronized person.

Under Federal and NYS Law, children less than 18 years old are presumed to be victims of Sex Trafficking and the fraud, force or coercion element is not needed.
